THE FEEL

Start your day on the Mekong with Thai Chi lessons on the upper sun deck. Or bathe in the rays of dawn shining through your balcony as you lay in bed. As the ship glides towards the riverbanks of Phnom Penh, the smell of breakfast and coffee wafts in the air. A day full of reverberating sights, colors, sounds – Phnom Penh, the Pearl of Asia, a rich tapestry of dazzling temples, monks in saffron robes and imperial splendor, awaits you.

Unwind at the funnel lounge & bar in the late afternoon. Whether it is a refreshing sundowner drink at the Lounge or a pampering time at the Apsara beauty salon, this is a time for reflection and relaxation. When night falls, dancers perform and dinner is served. The ship changes hue at night and the staff emerge the following morning in their exquisite Cambodian traditional outfit.
